Kickstart Your Career Using LinkedIn – To maximize your employment opportunities you need to **have established your own unique professional social presence**. **Learn how to** Build your professional network using the LinkedIn website and optimize your job search success by using social networks to your advantage; get noticed by employers and recruiters.

Résumés/Cover Letter Writing – You need a well written professional résumé and cover letter to reach the interview stage. If you have been sending out résumés and have not been called in for an interview, it is a good indication your résumé may not be working for you; **you cannot afford to miss this workshop**. Our expert facilitator will provide you with the skills you need to tailor your 'marketing tools' to successfully apply for the next career opportunity you are interested in and optimize your chances of getting an interview. Please have your existing résumé and cover letter to reference during and request a critique following the session

Second Career Orientation: Eligibility & Application/Career Research – Navigate the application process of this Ministry of Labour, Training & Skills Development; Employment Ontario retraining program. Learn how to gather the necessary information to inform your decision-making and to put forward a solid application.

Ace Your Interviews – Does your résumé 'get you in the door' for an interview; then, unfortunately, you are not successful in landing the job? **Then you cannot afford to miss this workshop! We will help you develop the skills** you need to respond to difficult questions and provide impressive answers to demonstrate to employers that you have the skills they need. We have all heard to "Fail to Prepare is to Prepare for Failure"; Attend this session to ensure you are well prepared to handle the most challenging questions The Ontario economy is reopening make sure you have the skills and knowledge you need to 'Ace the Interview'

WHERE ARE THE JOBS? HOW TO NAVIGATE THE CURRENT LABOUR MARKET – Labour Market Investigation is a crucial step in determining your employment goals and, most specially, in determining educational/ skill paths. You will use the knowledge you gain from this workshop throughout your employment life and in providing guidance to high school children considering post-secondary education. This Workshop should not be missed if you are considering changing careers, pursuing further education, or want to learn where the employment opportunities are that you are seeking

TRIEC MENTORING PARTNERSHIP TRIEC MENTORING PARTNERSHIP - The Mentoring Partnership program brings together Internationally Trained Professional immigrants and established professionals in occupation-specific mentoring relationships. An external evaluation was conducted found that "found that skilled newcomers who participated in TRIEC Mentoring Partnership are:

- Around 2.5 times more likely to be in 'good quality jobs' (full time, permanent jobs with benefits and opportunities for advancement)
- Almost 4 times more likely to expand their network ... after three months of program completion than those who did not participate.
- The program also had the greatest impact on female newcomers and for those who were unemployed."

WHMIS Training (Certification) – Get ahead of the competition and register with our agency for free WHMIS training. You will receive your certificate of completion and assistance in preparing an effective cover letter and resume tailored to your desired occupation

CANADA REVENUE AGENCY EDUCATIONAL SESSION Get to know information on benefit and credit payments. The CRA's outreach officers can help you learn about these payments and what you may be entitled too by filing your taxes. Topics of discussion will include Canada child benefit, GST/HST Credit, Canada workers benefit, Disability tax credit, Child disability benefit and tools and services that are available. We will end the presentation with Q&A and resources.

Service Canada Overview

This session provides a brief introduction to Service Canada and briefly describes programs and services and guides clients on how to access them. The presentation will provide basic information about our programs and services.

***We reserve the right to cancel/reschedule workshops due to low enrolment. All attempts will be made to notify registrants ahead of time.**
